Principal's Message

Dear families,

Welcome back to school. I hope you all enjoyed the school holidays and managed to have some quality time relaxing together as a family. Students are excited to be back at school, adjusting to new learning routines, catching up with friends and meeting new classmates and their teachers.

We all extend a warm welcome to staff, students and families new to Angle Vale Primary School in 2021 including Dylan Rout, Design and Technology and Brianna Sherin, Year 3 teacher. A list of all teachers and their roles is included later in this newsletter.

We warmly welcome the new Receptions and their families to Angle Vale Primary School.

Leadership

This year leadership in the school remains the same with Alex Stokoe - Assistant Principal Student Well-being, Melissa Babic - Deputy Principal role in Special Education. Other leadership roles include Nina Noto - Leader in Learning and Jenny Attewell - Leader in Literacy Intervention 1-7.

Governing Council AGM

Governing Councils have joint responsibility, with the Principal, for the governance of the school. This includes setting the broad direction and vision, strategic planning and budget. Angle Vale Primary School AGM will be held on **Monday 22nd February at 3:30pm**. This meeting will be held in the school staff room and a crèche will be available in the library. If you are interested in becoming a Governing Council member or want to find out more about the role of the Governing Council you are welcome to join us.

Information Evening

The school's information evening has been postponed this year due to the restricted number of people able to be present in the classroom. However, teachers have sent home letter to families with a basic outline of the curriculum and how the classroom is managed, including how communication will occur between home and school. Please use this communication if you have any concerns or questions. It is better to discuss issues with the teacher quickly rather than let them cause anxiety for you or your child.

Classes

During the first few weeks of the school year, learning focuses on:

- students and teachers getting to know each other
- discussing routines and shared responsibilities
- assessments in spelling, reading and maths
- talking about and practising ways to work together to create safe and successful learning environments for all staff and students at Angle Vale.

In the first few weeks all classes will focus on, and continue to practise our school values of **Respect, Honesty, Resilience** and **Confidence**.

We look forward to working together with you to support your children in 2021.

Kind regards,

Sharon Rich, Principal

Rory's School Lunches

Please read the following information regarding Rory's School Lunches. Orders will need to be placed online and you can download the App and register your children by following the steps shown on the following page.

About Rory's School Lunches

Rory's School Lunches is a local based Catering and Canteen Management Company who provide excellent and extensive "healthy choice" food offerings to numerous schools across South Australia.

Rory's School Lunches believes all students deserve healthy and nutritious food to support their growth and learning. That's why we employ a team of qualified chefs to prepare fresh, delicious and healthy meals.

Made with Fresh Ingredients

Because our food is delivered daily, we don't need to use harmful preservatives to extend its shelf life. We cook the traditional way, taking advantage of fresh herbs and spices to boost the flavour of our food.

Cater for Fussy Eaters

Some students can be fussy about eating healthy foods so we incorporate them into our dishes. For example, our Napolitana sauce is packed full of veggies blended into a delicious sauce so students don't notice them.

Variety

Our menus are updated to keep them exciting for students and to encourage them to try a range of food. There are some popular items students love so we always keep them on the menu.

Ordering lunch can be fun and a learning experience for students, so as well as our healthy meals we offer a few treats for special occasions.

Convenient

Parents, enjoy a day off preparing the school lunches guilt-free because Rory's School Lunches are fresh, healthy and affordable.

Placing Online Canteen Orders

Rory's School Lunches provides an online canteen ordering system for the convenience of schools, parents and students.

- **orders can be placed** two weeks in advance, any time, **until 8:30am on the day the lunch is required.**
- students don't need to bring cash to school to pay for their lunch order.
- parents can also discuss food choices with their children, which is particularly helpful for younger students.
