2nd, 9th, 16th, 23rd & 30th

June

Resilience Program Year 6/7s

Friday 2nd July

Last day of Term 2

## Principal's Message

Dear Families,

I hope you all enjoyed the holiday break and welcome back to another busy term.

### Sports Day

Congratulations to Frisby for being the best team on the day. Also congratulations to Anglesey for being the best sports on the day. It was great to see so many families attend Sports Day to support their children. I would like to thank Michael Menadue for all the extra hours and work leading up to Sports Day resulting in a very successful and enjoyable day.

### NAPLAN

Over the next 2 weeks our Year 3, Year 5 and Year 7 students will be involved in NAPLAN. The Year 3 students will complete the writing component of the assessment on paper as many of the younger students are continuing to learn where the keys are on a computer key board. With NAPLAN going online the timeline for receiving students' results should be reduced. If your child is absent for any of the assessments there will be make up times throughout the fortnight. Please don't hesitate to make an appointment with your child's teacher to answer any questions you many have regarding the NAPLAN process.

### Volunteers

Thank you to the wonderful volunteers, Amy Taylor, Wendy McDonnell, Becky Mitton and Lisa Porrovecchio who worked tirelessly selling Mother's Day gifts. I hope all mothers enjoyed their special day and the gifts received.

Angle Vale Primary School is incredibly lucky to have so many families and community members volunteering at different times throughout the year. Whilst National Volunteer Week was celebrated recently, we will be showing our appreciation of your ongoing support by hosting a morning tea for our volunteers later in the year.

### Spelling Bee

Several students from Year 4 in room G5 volunteered to enter the South Australian Spelling Bee. Congratulations for the following students who received finalist certificate: Alex R, Anastasia V, Athena W, Lockie S, and Violet K. The following students received recognition certificates: Charlotte W, Daemon D, Kayden C, Payton P, Riley S, Sienna D, Stefania B. Fantastic effort by all.

### Spelling for Life

We were fortunate to have secured an amazing presenter, Lyn Stone from Victoria to present at our pupil free day on the 10th June. Lyn is a linguist and brings high quality, research-supported literacy instruction to teachers and has proven evidence about understanding and teaching spelling Reception to Year 7. We are looking forward to sharing this day with Swallowcliffe Primary School.

Kind regards,

**Sharon Rich, Principal**

## Out of School Hours Care

### RESPECT

Treat others as you would like them to treat you.

### HONESTY

Have reasons for the things you say and do.

### CONFIDENCE

Be Brave  
Participate to progress.

### RESILIENCE

Pursue your personal best no matter who you work with. It takes great strength to be sensible.

## Parking Issue

We have been receiving a number of complaints from nearby residents about parents parking in front of people's driveways and residents have not been able to access or exit their homes.

Parents are reminded that there is also parking at the back of the school off of Gabriella Drive.

The Drop Off Zone at the front of the school is to pull up, let students out and drive off. It is not for parking and walking into the school yard. It is to allow for families requiring a quick drop off/pick up and allowing for traffic to flow smoothly rather than traffic building up around the corner.

The council and police have been notified of these complaints.

## Easy Recipe: Fresh Tomato Sauce

**Preparation time:** 10 minutes

**Cooking time:** 120 minutes

**Serves:** 16 **Makes:** 1 L

1 serve of vegetables per 1/4 cup

### Ingredients:

1kg ripe tomatoes

1/3 cup olive oil

8 cloves garlic, crushed

1 brown onion, finely diced

4 bay leaves

1 handful basil, chopped

2 tsp smoked paprika

1 tsp sugar

Pinch of salt

### Method

Bring a large pot of water to the boil and add the tomatoes, ensuring they are covered. Bring back to the boil then remove from the heat and drain. Allow to cool then peel and dice, discarding the stems. Set aside.

In a large pot, heat the oil and add the garlic and onion. Saute until translucent. Add the tomatoes, bay leaves, basil and paprika. Stir well and bring to the boil.

Reduce to a simmer and cook for approximately 2 hours until the sauce has thickened. Remove from the heat. Cool and transfer into airtight containers.

### Tips

- Allow the sauce to sit in the refrigerator for 24-48 hours to allow the flavours to develop.
- Remove the bay leaves before serving.
- Cook your favourite pasta, add the tomato sauce and serve with a sprinkle of grated cheese.

# YEAR 7 TO HIGH SCHOOL IN 2022

## Parent Update Week 3, Term 2 – 2021

### Our regional schools

We understand that regional communities have some unique needs and challenges. In preparation for the year 7 to high school move in 2022, we conducted widespread consultation with our rural schools and communities so they could share their hopes and individual concerns.

We heard from more than 250 individuals and received 25 written contributions, 4 of which came from peak representative groups. Many regional families and communities were excited about the opportunities of bringing year 7 into high school.

Having listened to the feedback, we are working with country schools to ensure they have the right support for the move, especially in terms of staffing, professional learning and transport requirements. This Parent Update will address some common questions raised by country families during our consultation.

### How will my child cope in a large high school?

For many regional students, starting high school means leaving a small primary school for something much bigger. We know from our pilot program that year 7s are well and truly ready for high school. The pilot is tracking the progress of students, families and staff from three schools that have already welcomed year 7s. One of them, John Pirie Secondary School, is regional. Feedback from pilot program students has indicated the vast majority are enjoying making new friends, trying new sports and activities, and learning in a larger, more mature environment.

### Will my child cope with a longer bus ride, alongside older teenagers?

We acknowledge that the availability of services in regional locations is a broader community challenge. Some year 7 students will have longer commutes to high school, as do their peers in years 8 to 12.

Feedback from students in our pilot program has shown they quickly feel comfortable in the company of older students. Our pilot schools established peer leadership and mentoring programs to help year 7s feel welcomed by older year levels. The older students played an important role in orientating them to the high school settings.

Orientation and transition activities are being organised by individual schools to suit their communities' needs, but peer mentorship will be a common feature of them. Contact your local high school for more information on orientation programs and activities they have planned.

### What if my local high school is more than 20km away?

By default, all year 7s will go to high school or area school from 2022. However, if your primary school is more than 20km away from your local area or high school by road, you are eligible to seek a 'by exception' exemption from your primary school principal to keep your current year 6 student in their primary school for year 7. These arrangements, which also apply to School of the Air, will apply for a transitional period until 2024, provided you attend one of 45 eligible primary schools. For more information visit our website at [www.education.sa.gov.au/7toHS](http://www.education.sa.gov.au/7toHS).

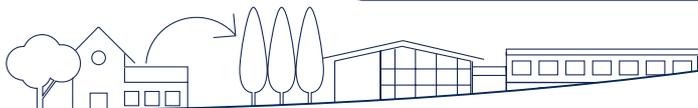

### What if my local primary school loses student enrolments?

The state government has made a commitment that it will not close schools as part of the year 7 to high school move. For the eligible primary schools mentioned above, we are also offering top-up funding to ensure they don't lose classes due to the departure of year 7s. The funding will be available up to and including 2024.

### Where to find out more

Stay informed through your school and the Department for Education's website: [www.education.sa.gov.au/7toHS](http://www.education.sa.gov.au/7toHS)

Or share your feedback with the project team by emailing: [Year7toHS@sa.gov.au](mailto:Year7toHS@sa.gov.au)

## A message from your Coordinator

Wow it's already Week 3. I hope everyone is enjoying Term 2.

During Term 1 Camp Australia ran a Handball Competition for the children that attended OSHC & Vac Care all over Australia with more than 8,000 entries, SA with 89 Champions. I am so proud to announce that 1<sup>st</sup> place went to AVPS OSHC Blake Leighton.

Look out for more competitions to come.

Kind Regards

**Nyree Walker, Camp Australia Coordinator**

## National Reconciliation Week 27 May - 3 June, 2021

Join in the activities during NRW and learn all about Aboriginal & Torres Strait Islander histories, cultures and achievements.

## It's free to register

To attend our program, you must register your child. You can register an account with us at [pp.campastralia.com.au](http://pp.campastralia.com.au) or by downloading our Camp Australia smartphone app from the Apple App Store or on Google Play. Once registered, it's easy to make bookings and manage your account.

## Activities coming

- Build your Best Lego Model Competition
- Autumn Craft
- Auditions for Who's Got Talent AVPS OSHC

## What's on the

- Salad Sushi
- Banana & Chocolate Cake
- Apple Pie

## Visit our blog

New articles are added each week for parents and cover various topics to help families.
